**The IL SBDC at the Starved Rock Country Alliance provides no-cost, confidential, one-on-one business advising to entrepreneurs and small business owners within Bureau, Grundy, LaSalle, Livingston, and Putnam counties.**

Funding for our Small Business Development Center is provided federally through the US Small Business Administration, within the State of Illinois via the Illinois Department of Commerce and Economic Opportunity, and locally through the Starved Rock Country Alliance.

The Starved Rock Country Alliance is a 501(c)3 with leadership consisting of local business owners, municipal leaders, and other regional stakeholders who desire to see economic growth through Regional Entrepreneurship and Small Business Development.
